

FY99 MISSOURI LOTTERY PROCEEDS

The following is a list of programs that will receive Lottery proceeds, as appropriated by the Missouri Legislature during fiscal year 1999. These funds represent about 3 percent of the total funding for the state's public education system.

Department of Elementary & Secondary Education \$60.8 million

\$46.9 million

Foundation Program

These funds help pay for multiple programs including Career Ladder payments to teachers and early childhood special education.

\$5.7 million

Incentive Grants

This program provides grants to teachers and school districts to develop or duplicate innovative instructional projects that meet local needs.

\$4 million

Safe Schools Initiative

Through this program, grants will be provided to schools to make them safer. Educational programs to serve violent, disruptive and abusive students will be created to make schools safer to all students and teachers.

\$1.4 million

Vocational Rehabilitation Program

This money will be used by the Division of Vocational Rehabilitation to assist clients with disabilities to obtain employment by diagnosis, physical restoration, training, placement and other related services.

\$598,388

Pupil Testing Program

This money will help develop a performance-based evaluation system for Missouri students, as required by the Outstanding Schools Act.

\$550,000

Caring Communities Program

This project promotes cooperation among schools and other state/local agencies in meeting the needs of high-risk children and their families.

\$500,000

New Technology Grants Program

With this money, grants are provided to help school districts acquire computer hardware and software, lab equipment and other technology to promote the use of computers and telecommunications.

\$370,000

Maintenance/Repair State Schools

These funds will support various repair projects at the state-operated schools for severely handicapped children, the Missouri School for the Deaf and the Missouri School for the Blind.

\$200,000

Minority Scholarships

These funds will provide college scholarships to attract minority students into teaching.

\$150,000

Missouri Scholars' Academy

This is a summer program for artistically gifted and talented students. The academy is open to juniors and seniors from public and private high schools.

\$145,000

Professional Development

These funds will be used for professional development of educators, including the Leadership in Educational Administration Development Program.

\$110,880

Administration costs

These funds will help pay for the expenses related to research, evaluation and information systems.

\$100,000

Research on Education Programs

These funds help educators develop programs that improve academic achievement.

Department of Higher Education
\$84.2 million

\$66 million

Operational Funding for Four-Year Institutions

This money is used to fund salaries, equipment, library purchases and institution-based student financial aid.

\$4.7 million

Missouri Western State College, St. Joseph

For Phase 2 of the construction and renovation of the Eder building, which houses the college's admissions, counseling and financial aide offices, along with the education, psychology, English and modern language programs.

\$3.4 million

Community Colleges

This money will be used to fund instructional salaries, equipment and expenditures in certain categories such as performance funding and maintenance and repair.

\$3 million

Ozark Technical Community College, Springfield

These funds will be used for laboratory facilities and classrooms.

\$2.9 million

Student Grant Fund

These funds provide nonrepayable grants to eligible Missouri post-secondary students who may receive need-based grants up to a maximum of 10 semesters.

\$2.4 million

University of Missouri-Columbia

For planning, design and renovation of Townsend Hall on the Columbia campus. Townsend Hall houses several programs offered through the university's College of Education, including The Reflector, a computer and technology lab for educational students.

\$1.4 million

Workforce Preparation Projects at Community Colleges

This money will be used by community colleges to help expand their academic programs, primarily in technology.

\$125,000

Marguerite Ross Barnett Scholarship

These funds help provide need-based scholarships to part-time students employed 20 hours or more per week.
